

1st ANNOUNCEMENT

DEAR COLLEAGUES!

You are welcome to participate in the International Conference

PLAKSIN READINGS 2020:

**NATURAL AND SECONDARY MINERAL RESOURCES: INNOVATIVE
PROCESSES OF COMPREHENSIVE PROCESSING**

September 21-26, 2020

The Conference is organized by Scientific Council on Mineral Processing Problems RAS,
Institute of Comprehensive Exploitation of Mineral Resources RAS (IPKON RAS),
Federal Research Centre KSC RAS (FRS RAS),
Mining Institute KSC RAS (MI KSC RAS),
Institute of North Industrial Ecology Problems KSC RAS (INEP KSC RAS)

Aim: Discussion of principal achievements in fundamental and applied studies for comprehensive and deep mineral processing

Principal scientific themes:

- Modern mineral processing technologies
- Technological mineralogy. Disintegration and ore preparation
- Flotation, gravity, magnetic and electromagnetic separation
- Comprehensive mineral processing, hydrometallurgical processes
- Processing of secondary mineral resources. Environmental and economic aspects

Organizing Committee:

Chairperson:	Chanturiya V.A. academician RAS, IPKON RAS
Co-chairperson:	Krivovichev S.V., corr.member RAS, FRC RAS
